Project Leadership

Accent provides project leadership and change management, building a strong team and minimizing the risks to your project. Our consultants are seasoned professionals who know the industry, yet carefully avoid biasing business relationships with the vendors. Our experts help you methodically explore all options, steering through the sales pitches to make the best decisions possible.

Our consultants are prepared to assist you in any and all phases of your selection process, including:

Process analysis and needs assessment

IT strategy and business case justification

RFP and vendor/solution selection

Contract negotiation

Implementation project oversight

We work with you to:

- Study your processes
- Involve and educate your users
- Resolve competing priorities
- Rigorously evaluate solutions
- Negotiate an effective contract
- Save your time and money
- Document your decision process

We help you navigate safely
to your destination.
