

Software Selection

Select the right software for your unique needs

Accent helps you select and implement the right enterprise software for your needs—not the most expensive.

Project Leadership

Accent provides project leadership and change management. We help you build a strong team and minimize the risks to your project. Our consultants are seasoned professionals who know your industry.

We help you steer through the sales pitches to gain a clear understanding of your options and make the best decisions possible.

We can support all or part of your project's lifecycle:

Process analysis and needs assessment

IT strategy and business case justification

RFP and vendor/solution selection

Contract negotiation

Implementation project oversight

Selection Expertise

- Assessment & Taxation
- Financials
- Medical Billing
- Environmental Health
- Case Management
- Permitting
- GIS

We work with you to:

- Study your processes
- Involve and educate your users
- Resolve competing priorities
- Rigorously evaluate solutions
- Negotiate an effective contract
- Save your time and money
- Document your decision process

**Helping you navigate safely
to your destination.**

About **accent**

Accent is a privately-held professional services firm. We've supported our clients since 1994. Accent's principals, veterans of the industries we serve, are firmly committed to your success.

Our goal is to be your leading alternative for information technology solutions. We strive to provide honest consultation at a price that delivers the best value and result.
