- Training Professionals

## Contract

Permanent

Temp-to-perm

## Benefits of Accent Staffing

- Thoroughly screened “A-List” candidates who can make an immediate impact.
- Project continuity, even in the face of unplanned turnover.
- A buffer for the uncertainty of economic expansion and contraction cycles.
- A planned project transition to permanent staff, including documentation & training.
- Evaluation of a potential permanent employee.

## The Accent Difference

- Successful staffing begins with listening. We carefully interpret our clients' needs and thoroughly research our candidates to optimize the recruitment process.
- Accent's network allows us to locate the hard-to-find skill sets. We are well-regarded within the IT community.
- It doesn't end with placement. Accent's account manager maintains continued dialogue with clients and employees to ensure customer satisfaction.

## About **accent**

Accent is a privately-held professional services firm. We've supported our clients since 1994. Accent's principals, veterans of the industries we serve, are firmly committed to your success.

Our goal is to be your leading alternative for information technology solutions. We strive to provide resourceful staffing solutions, practical software applications and effective consultation, at a price that delivers the best value and result.
