Benefits of Accent Staffing

- No-risk investment in recruiting
- “A-list” candidates who can make an immediate impact
- Project continuity, even in the face of unplanned turnover
- Control the uncertainty of economic expansion and contraction cycles
- Planned project transition to permanent staff
- Evaluation of a potential permanent employee

The Accent Difference

- Successful staffing begins with understanding our clients’ culture, processes and priorities. We carefully listen to our clients’ needs and thoroughly research our candidates to provide the best people.
- Accent’s network allows us to locate the hard-to-find skill sets. We are well-regarded within the IT community.
- It doesn’t end with placement. Accent’s account manager provides continuing support to clients and employees to ensure customer satisfaction.
